1. [redacted] Comment. The field howitzers loaded on 28 January presumably belong to the 6th Arty Div , of which elements from Rathenow also went to Altengrabow on 25 January 1953, probably for short-term field exercises. It is believed that AT artillery elements of the 20th Army AT Arty Brig (US) moved to Altengrabow on 2 February 1953 for short-term combat firing practice.
